North Warren, PA 16365

ESCAPE (Employment Summer Camp) is an opportunity for high school students in Warren County to explore careers in the science, technology, engineering, and mathematics (STEM) fields with a focus on the opportunities to pursue these careers in local businesses.

Participants in ESCAPE Camp will research market information, education, responsibilities and career outlook for various STEM careers in participating businesses in the morning. Participants will then visit participating businesses in the afternoon where they will have opportunities to observe the various STEM careers researched and interview those currently employed in the field. Each day will conclude with a return to the classroom where participants will have an opportunity to compare and contrast their research with what was found in the field.

ESCAPE Camp will be held on:
Mondays and Thursdays
June 25th and 28th
July 9th, 12th, 16th, 19th, 23rd, and 26th

Camp will run 9:00 am – 3:00 pm

Location: Beaty Warren Middle School
Rooms C106/C107 with daily field trips
to local businesses.

Transportation and lunch will be
provided

Criteria for Admissions:

- Enrollment in the P.E.T.S. group instruction that requires approval from the Office of Vocational Rehabilitation (OVR). Parent consent forms must be completed and on file.
- Priority will be given to 11th and 12th grade and students enrolled in Job Shadowing and Work-Based Learning.

Instruction is provided by Bollinger Enterprises Pre-Employment Transitional Services Coordinator Robbin VanOrd and an ESCAPE Camp aide assigned to the classroom.
